

Heirloom Clocks: Ingraham Mechanical & Electric Clocks

This collection includes 26 clocks, both mechanical and electric. Some are consignment clocks that I believe Carl had ready to sell. Others are in need of repair. Ingraham Clock Cases without their mechanical parts can be found in the **Cases Document**. Ingraham Clocks in need of a great deal of work can be found in the **Wonder Document**.

To order any item follow the link below to an online order form. You will be contacted by email or phone within 24 hours after your order is received. Items are one-of-a-kind and you will be notified if the item you are interested in is still available.

Ingraham, similar to "Itasca"

This 8-day oak kitchen clock c. 1915, has a case, dial and pendulum that looks like the Ingraham Itasca, which is on page 313, #1052 in the Ingraham Book by Tran Duy Ly. The pattern on the glass is different. Location Box 5. For consignment Carl's price is **\$400.00**. Order #IN-B01-HS

Ingraham "Nomad"

Nomad, height 15 1/2" width 9", is a wall hanging clock, shown on page 151 as #412 in Tran Duy Ly's Ingraham clock book. Note the label on the back. In the 1927 Ingraham catalog it is described as having a hand rubbed mahogany case and being fitted with a circular silvered dial and convex glass. Box 5. For consignment Carl's price is \$250.00. Order #IN-B01-HS

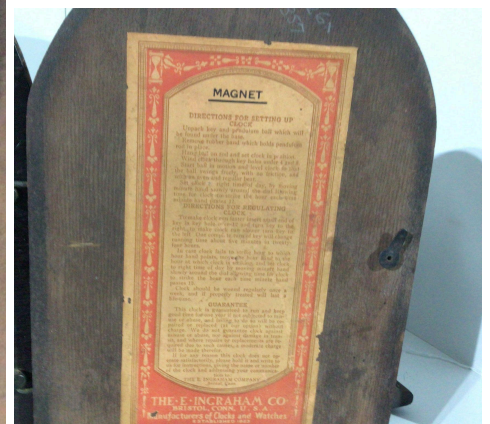

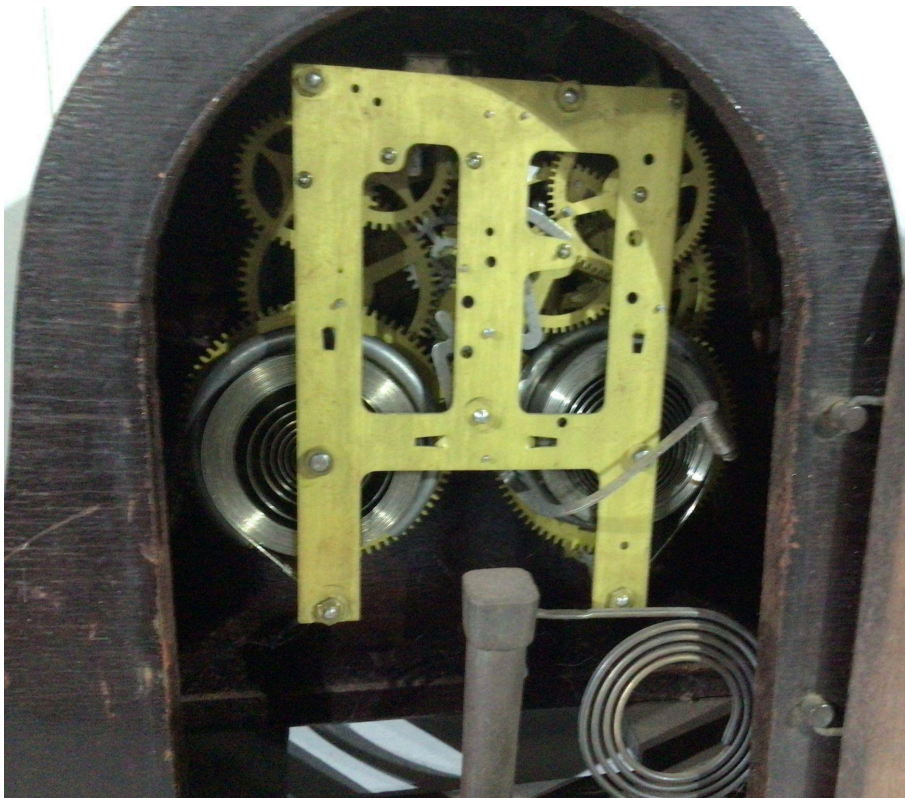

Ingraham Parlor Clock

Walnut Parlor Clock, 23 1/2" x 15", with a 5" dial. E1. For parts or repair or restoration. \$200.00.. Order #IN-B03-HR

Ingraham "Magnet"

This Magnet tambour is 9 1/2" high and 23 1/2" long. An instruction label is on the inside back door. Shelf D4.
For parts or repair **\$100.00**. Order #IN-B04-HR

Ingraham "Exotic"

Exotic c.1889 was an 8-day, half-hour, low strike, cathedral gong clock. The enameled wood case is very heavy and has a label on the back. The case is 11" high and 13" long. It has a black 5" dial. Hands and bezel, but no glass. It is shown in the Tran Duy Ly Ingram book as #667, on page 218. It is located in D2. For parts or restoration, Carl's price is \$60.00. Order #IN-B05-HR

Ingraham Model SST8

Model SST8 Tambour c.1930. This Art Deco clock is a self-starting strike, 5 ½” high and 21” long. This clock is #317 on page 128 in the Ingraham book by Tran Duy Ly. Notice in the picture there is damage to the veneer on the lower left bottom. White Shelf 3. For parts or repair, Carl’s price is **\$40.00**. Order #IN-B08-HR

SOLD

Ingraham “Admiral”

Model Admiral is an 8-day wind-up clock. It is 6 ½” high. Shelf A1. Carl’s price for consignment **\$150.00**. Order #IN-B14-HS

Ingraham Model SA219

Model SA219 is the case used for this wind-up clock. It is 5 3/4" high by 5 3/4" wide. The solid mahogany case has three solid mahogany panels on each side and a solid mahogany ribbed base. Carl noted he would convert it to Quartz. Box 13. For parts or to convert to Quartz, Carl's price is **\$40.00**. Order **#IN-B15-HR**

SOLD

Ingraham

No model number. Solid wooden wind-up clock. The clock is 6" high and 7" wide, with an inlay of light wood across the top and down the middle of the front. The dial has the Ingraham logo in the center. Shelf A1. Carl's consignment price is **\$150.00**. Order **#IN-B16-HS**

SOLD

Ingraham "Skyscraper"

Model D157, c. 1937, "Skyscraper", Art Deco walnut with maple inlay, 6 1/2" high, 6 1/2" wide, 3" deep. It works!
Box 11. Carl's consignment price is **\$150.00**. Order #IN-B17-ES

SOLD

Ingraham

Model D157 c. 1930s. "Skyscraper", a synchronous art deco electric timepiece. It is solid walnut with maple inlay, 6 1/2" high, 6 1/2" wide, 3" deep. It works! Runs quietly. Box 11. Carl's consignment price is **\$150.00**. Order #IN-B18-ES

SOLD

Ingraham Model SSC2

Model SSC2, c.1934, Church nave design. It is 10 1/2" x 7 1/2", with a gold plated sash and 4 1/2" etched silver plate dial. The case, naves and four columns with their caps and bases are walnut, overlaid with a slightly different walnut shade. This clock is shown on page 127 as #312 in Ly's Ingram book. Serviced 9/3/21. It works! Box 11. Carl's consignment price is **\$150.00**. Order #**IN-B19-ES**

SOLD

Ingraham Model 9D302

Model 9D302, #80322 c.1930. This is a self-starting electric clock, 8 1/2" high. It is all original, note the Arabic dial and Ingraham logo. It has a Burl walnut case, full rounded columns and a sculpted base with carved ornamentation. It is VERY RARE. Box 80. Carl's consignment price is \$150.00. Order # **IN-B20**

Ingraham Model SSC3

Model SSC3 is 9 ¼" high and x 7" wide. The front is walnut inlaid with butt walnut. It has a gold plated sash, an etched plated dial, a silk lined radio grille and side panels of curved solid walnut. This clock is in Ly's book on page 132, as #336. It was serviced on 9/7/21 and it works, but Carl noted it needs the hour strike repaired. Also, it should have a new cord and plug. Box 56. For parts or repair, Carl's price is **\$100.00**. Order **#IN-B21-ER**

SOLD

Ingraham Model SC323

Model SC323 c.1936 is an upright mantel clock. It measures 9" x 7 ¼". It has a gold plated sash. The case of American walnut has inlaid walnut strips on the front and fluted sides topped with gothic molding on a black base. This clock is #313 on page 127 in the Ingram book by Tran Duy Ly. Box 80. Carl's **consignment** price is **\$150.00**. Order **#IN-B22-ES**

Ingraham SG247

Model SG247 is an upright mantel clock measuring 9 1/4" x 7 1/2", with a 4 1/4" silvered dial in gold plated bezel. The two tone case front is veneered with mahogany and maple. The clock runs, but it needs replacement of its cord and plug. Box 56. For parts or repair, Carl's price is **\$100.00**. Order #IN-B23-ER

Ingraham "Sentinel"

Model SD136 "Sentinel" c.1946. This clock is 6 1/2" high, 6 3/4" wide and 3 1/2" deep. It has a mahogany case, brass toned bezel and beveled glass front over the dial. It works! Box 80. Carl's consignment price is \$100.00. Order #IN-B24-ES

Ingraham "Sentinel"

Model SD136 "Sentinel" c.1946. This clock is 6 ½" high, 6 ¾" wide and 3 ½" deep. It has a mahogany case, brass toned bezel and beveled glass front over the dial. It works! Box 80. Carl's consignment price is **\$100.00**. Order #IN-B25-ES

Ingraham Model SSD2

Model SSD2 c.1938. It is an electric striking clock. The walnut slant-back case is 6" x 8". It has an oval silver dial, a polished gold sash, and black trim. #220414. This clock is #331 on page 127 of the Ingram book by Tran Duy Ly. Box 11. Carl's consignment price is **\$200.00**. Order #IN-B26-ES

Ingraham Model SSD2

Model SSD2 c.1936 is 6" x 8", with an oval silver dial, a polished gold sash and black trim. This clock is #331 on page 127 of the Ingram book by Tran Duy Ly. It works, but Carl notes that it has a faulty hour strike. Box 13. Carl's price for parts or repair is **\$100.00**. Order **#IN-B27-ER**

Ingraham Model SSD4

Model SSD4 c.1940, walnut case with red inlay. It is 6" x 8". Serviced 9/23/21. It works! It runs and strikes, but it loses time. Carl's price for repair or parts is \$100.00. Box 33. Order **#IN-B28-ER**

Ingraham Model SST4

Model SST4 electric tambour c.1934 is 16 ¼" long and 6 ¾" high. It has a gold plated sash surrounding a 4 ½" etched silver plated dial. The case is mahogany veneer inlaid with Indian rosewood veneer on the front. There is carved molding around the case and mahogany feet. This information is from Tran Duy Ly's book on Ingraham Clocks and Watches, #330, page 131. Carl has a note that "the strike needs adjustment". Box 33. For parts or repair, Carl's price is **\$100.00**. Order #IN-B29-ER

Ingraham Model SA1

Model SA1 electric clock is 6 ¼" high and 5 ½" wide. The mahogany and walnut case has silk-lined radio tone-grills in the sides. It has a two-tone silver plated dial and a gold plated sash with gold plated shut off on the top. This information is from the Ingram book by Tran Duy Ly on page 129. The clock is #322. This clock works, but it needs a new cord and plug. Box 56. Carl's price for repair or parts **\$6.00**. Order #IN-B30-ER

Ingraham Model D212

Model D212 has a mahogany wood case, with a gold plated bezel. It is 6" high, 4 ¾" wide, with a 3 ½" dial. Note the dial paint is peeling. This clock works, but has a "hum" while it is running. Box 56. For parts or repair, Carl's price is **\$40.00**. Order #IN-B31-ER

Ingraham Model SA1

Model SA1 is 6 ¼" high and 5 ½" wide. The mahogany and walnut case is very worn. The silver and gold dial looks fine, as does the gold plated sash and shut off knob. It seems to be identical to #302 on page 125 Ly's Ingraham book except this clock has a square dial. It works! . Box 56. Carl's consignment price is **\$40.00**. Order #IN-B32-ER

Ingraham Model SA219

Model SA219 is an electric alarm clock c.1934. It is 5 3/4" high by 5 3/4" wide. The solid mahogany case is in good condition, but the gold plated sash and etched silver plated dial show some wear. The clock is a red dot alarm, self-starting and serviced 9/3/21. It does run, but the alarm bell is missing. Box 13. For repair or parts Carl's price is **\$40.00**. Order #IN-B33-ER

Ingraham Model #9

Model #9. The dark wooden case is 5 3/4" high, 7" wide and 1 1/2" deep. The dial is the special Ingraham with gilded chapter. It does not work. Box 33. For parts or repair, Carl's price is **\$20.00**. Order #IN-B35-ER
